Dear Neighbors:

Recently, our office received a copy of letter informing us of the extraordinary efforts you and your employees gave to our Brevard County Firefighters during the recent wildfires. Your leadership skills and limitless contributions to our fine men and women show's how you and your staff went above and beyond to help and how delighted our hero's were to receive such incredible service.

Actions from constituents like you, instills confidence to all Public Servants. Please accept this letter as my formal commendation and sincere gratitude for the excellent service you and your wonderful staff provided to our Firefighters.

Respectfully,

Jackie Colon
